

All Angels Day

This is a day to praise to God for the heavenly angels – the non-human (& never-have-been-human) beings of His own unique creation, who serve God and his saints. Today, we (i.e. Christians) also ask God to continue to allow His heavenly angels to help and defend us here on earth.

“All the angels are spirits who serve God and are sent to help those people who will receive salvation.”
 – Hebrews 1:14 (ERV)

The day is also known as St. Michael’s Day or Michelmas Day. The

Feast of Michaelmas celebrated St Michael, the archangel who was credited with expelling Lucifer from heaven; & also marked the end of the harvest season.

September 29th is All [Angels](#) Day, also referred to as Michaelmas Day or St. Michaels Day. Some celebrate All Angels Day by attending

church, reading scripture or offering prayers. The annual event celebrates the Feast of St. Michael and All Angels.

Michael, the greatest of all archangels, is honored in both eastern and western religions for defeating Lucifer. According to Revelations 12:7, “And there was war in heaven, Michael and his angels waging war with the dragon. The dragon and his angels’ waged war and they were not strong enough, and there was no longer a place

found for them in heaven. And the great dragon was thrown down, the serpent of old who is called the devil and Satan, who deceives the whole world; he was thrown down to the earth, and his angels were thrown down with him."

Throughout history, people have been fascinated by angels. According to the Bible, God made angels during the six days of creation. Angels are spirits without a physical body that are intelligent and have a will. Angels are protectors of the faithful and believed to be messengers from God. Angels comfort, strengthen and guide us on our journey here on earth.

Statement of Endowment Policy
Bell Tower Legacy Society
Church of the Transfiguration

1. Throughout its history the Church of the Transfiguration has received gifts and bequests of property and funds intended to provide for the future of the Church. The Vestry of the Church desires to preserve and protect the future of these funds and property and any future similar gifts and bequests that might be received in the future through a formal endowment policy. The Vestry adopts this Statement of Endowment Policy.

2. The Church shall establish and maintain an Endowment Fund. The purpose of such fund is to provide the Vestry an effective means of monitoring the viability of the ministries and programs of the Church and the capital maintenance and repair of the Church's physical plant assets.

3. All gifts and bequests, that are not part of annual giving, will become part of the Endowment Fund. Unless otherwise directed by the donor, funds and property will become subject to the endowment policies that provide for the distribution, designation, investment or other aspects of the Fund.

4. Endowed funds and property shall be considered as follows:

(a) Quasi-endowment. Those funds and property that the Vestry has determined are to be retained and invested. The Vestry has the right to decide at any time to expend the principal or sell the property.

(b) Endowment. Those funds and property in which it is stipulated the principal of the fund or the property is to be maintained inviolate, in perpetuity, and only the income from the investment of the fund or property may be expended. The income may or may not be restricted as to its use.

5. The Endowment Fund will be invested and managed under the direction of the Vestry.

6. The Vestry shall establish the Bell Tower Legacy Society. Said Society will be established by the Vestry with the tasks of raising endowment funds and property within and without the parish. The Society will work closely with the Vestry and the Colorado Episcopal Foundation in performing its tasks.

Information about the Bell Tower Legacy Society
will be presented at both services on September
16th and October 23rd
